

"Every young person deserves an opportunity for a higher education"

### Mayor's Intern Fellows Job Fair

Each year, the Mayor of Dallas, Education is Freedom, and Dallas companies partner to offer paid internships to Dallas ISD sophomores and juniors. On April 20<sup>th</sup>, some of our brightest students attended the annual Mayor's Intern Fellows Job Fair to interview with over 30 Dallas based companies.

### Longhorn Pre-College Academy Visits the University of Texas

The Longhorn Pre-College Academy, in conjunction with Education is Freedom, provides great opportunities for EIF students to explore the University of Texas at Austin while learning about the importance of college. Throughout the year, students participate in many events which range from life skills training to touring the University. In addition, EIF seniors have the opportunity to apply for scholarship

funds to assist with their college expenses. This month, over 40 students attended the annual "40 Acres Festival" showcasing some of Austin's brightest musical talent and allowing students to tour on-campus organizations.
